UI/UX design student with a keen eye for detail and a passion for creating intuitive, impactful user experiences. Currently seeking casual, part-time, or internship opportunities to apply and grow my skills.

WORK EXPERIENCE

NexusMD.ai | UX Design Intern

Jul - Aug 2025

Melbourne, Australia

- Created a Design System using Material UI.
- Conducted a Competitor Review, setting the business apart from a crowded marketplace.
- Explored various Colour Palettes to craft an innovative product that resonates with both business and user needs.

Hailstone Labs | UX Design Intern

Jul 2024

Hong Kong

- Designed a prototype for an upcoming website with Figma.
- Conducted research to analyse industry standard web-designs, incorporating similar styles into the prototype.
- Collaborating with design team members to refine the prototype, creating a cohesive design that aligns with the company's overall brand.

Alg Seaweed | Sales Assistant

Dec 2023

Melbourne, Australia

- Engage with customers to promote and sell a variety of different products, providing a welcoming atmosphere.
- Handled and processed transactions throughout the day.
